Sciences Affectives
POLE DE RECHERCHE NATIONAL SUISSE

Autumn Academy in Affective Sciences

September 27th – October 5th, 2005 – Geneva, Switzerland

UNI MAIL, 40 Bd du Pont-d'Arve

PROGRAMME

Tuesday, September 27th, 2005

15:00 – 16:00	REGISTRATION	MAIN HALL
16:30 – 20:00	OFFICIAL OPENING CEREMONY OF THE NCCR FOR THE AFFECTIVE SCIENCES	ROOM R070

Wednesday, September 28th, 2005

08:45 – 09:00	OPENING REMARKS Klaus R. Scherer (University of Geneva)	ROOM R070
09:00 – 12:00	COLLOQUIUM PSYCHOPHYSIOLOGY	
10:30 – 10:45 Coffee break	Speaker: Gary G. Berntson (Ohio State University) Chairperson: Guido Gendolla (University of Geneva)	
	The neuroarchitecture of emotion	
14:00 – 17:00	COLLOQUIUM HEALTH	
15:30 – 15:45 Coffee break	Speaker: Howard Leventhal (Rutgers University, New Jersey) Chairperson: Norbert Semmer (University of Bern)	
	Affect, cognition, and health	
19:00 – 21:30	DEBATE: WHAT IS AN EMOTION? A debate between categorical, dimensional, and componential theorists	
	Chairperson: Paula M. Niedenthal (University Blaise Pascal, Clermont-Ferrand)	
	Discussants: Gary G. Berntson (Ohio State University) Carroll E. Izard (University of Delaware, Newark) Howard Leventhal (Rutgers University, New Jersey) Paula M. Niedenthal (University Blaise Pascal, Clermont-Ferrand) Klaus R. Scherer (University of Geneva)	

Thursday, September 29th, 2005

Organised in collaboration with the

9th Congress of the Swiss Society of Psychology 2005

APPROACHES TO EMOTION

09:00 – 20:00

See detailed programme of the Congress

Friday, September 30th, 2005

Organised in collaboration with the

9th Congress of the Swiss Society of Psychology 2005

APPROACHES TO EMOTION

08:45 – 18:00

See detailed programme of the Congress

Saturday, October 1st, 2005

Organised in collaboration with the

9th Congress of the Swiss Society of Psychology 2005

WORKSHOP:

Introduction into Structural Equation Modelling with Mplus

09:00 – 18:00

Michael Eid, Tanja Lischetzke & Christian Geiser

Sunday, October 2nd, 2005

- | | | |
|---------------|---|-----------------------|
| 13:00 – 14:30 | INVITED TALK
COMPUTATIONAL MODELLING / NEURAL NETWORKS
John Taylor (King's College London)
Building a model of the interaction of attention & emotion in the brain | Room R070 |
| 14:30 – 16:00 | INVITED TALK
AFFECTIVE NEUROSCIENCES
Patrik Vuilleumier (University of Geneva)
Neural systems for interactions between emotion and attention | |
| 16:00 – 16:30 | Coffee break | |
| 16:30 – 18:30 | ROUND TABLE
AFFECTIVE NEUROSCIENCES (NEURAL MODELS)
Discussants: John Taylor (King's College London)
Patrik Vuilleumier (University of Geneva) | Room R070 |
| 18:30 – 19:30 | POSTER SESSION 1 | HALL IN FRONT OF R070 |
-

Monday, October 3rd, 2005

- 09:00 – 10:30 **INVITED TALK** Room R070
VOICE
Patrick N. Juslin (Uppsala University)
Vocal affect expression: Promises and problems
- 10:30 – 11:00 Coffee break
- 11:00 – 12:30 **INVITED TALK**
ELECTROENCEPHALOGRAPHY
Luis Carretié (Universidad Autónoma de Madrid)
[Event-related potentials elicited by emotional stimuli: Methodological issues and recent findings](#)
- 14:00 – 15:30 **INVITED TALK**
FACIAL EXPRESSION
Susanne Kaiser (University of Geneva)
Facial expression and emotion: Competing theoretical approaches
- 15:30 – 16:00 Coffee break
- 16:00 – 17:30 **INVITED TALK**
PERIPHERAL MEASURES AND PSYCHOLOGICAL MODELS
Anders Flykt (Mid Sweden University)
[Physiological correlates of emotion](#)
- 17:30 – 19:00 **VISIT TO MIRALAB (HUMAINE)** UNI DUFOR
Nadia Magnenat-Thalmann (University of Geneva)
- 19:30 – 22:30 **SOCIAL EVENT** – DETAILS WILL BE ANNOUNCED
-

Tuesday, October 4th, 2005

- Coffee break at 10:45 for all three groups during the morning workshops HALL IN FRONT OF R070
- 09:00 – 13:00 **WORKSHOP: VOICE** ROOM M6383
Tanja Bänziger (University of Geneva)
Daniel Arfib (University of Geneva)
Emotions expressed by the voice and their perception. How are they measured?
- 09:00 – 13:00 **WORKSHOP: ELECTROENCEPHALOGRAPHY** ROOM M5183
Didier Grandjean (University of Geneva)
Elise Dan Glauser (University of Geneva)
Measures and analyses of EEG
- 09:00 – 13:00 **WORKSHOP: ARTIFICIAL NEURONAL NETWORKS** ROOM BAUD 1
Matthew Hartley (King's College London)
[Introduction to ANNs](#)

Coffee break at 16:15 for all three groups during the afternoon workshops

HALL IN FRONT OF R070

14:30 – 18.30 **WORKSHOP: FACIAL** ROOM M2193
Susanne Kaiser (University of Geneva)
Stéphane With (University of Geneva)

Coding facial expressions with FACS

14:30 – 18.30 **WORKSHOP: PSYCHOPHYSIOLOGY** ROOM M6383
Tatjana Aue (University of Geneva)

Measures and analyses of the peripheral nervous system

18:30 – 19:30 **POSTER SESSION 2** HALL IN FRONT OF R070

Wednesday, October 5th, 2005

Coffee break at 10:45 for all three groups during the morning workshops

HALL IN FRONT OF R070

09:00 – 13:00 **WORKSHOP: FACIAL** ROOM M2193
Susanne Kaiser (University of Geneva)
Stéphane With (University of Geneva)

Coding facial expressions with FACS

09:00 – 13:00 **WORKSHOP: PSYCHOPHYSIOLOGY** ROOM M6383
Tatjana Aue (University of Geneva)

Measures and analyses of the peripheral nervous system

09:00 – 13:00 **WORKSHOP: ARTIFICIAL NEURONAL NETWORKS** ROOM BAUD 1
Matthew Hartley (King's College London)

Introduction to ANNs

Coffee break at 16:15 for all three groups during the afternoon workshops

HALL IN FRONT OF R070

14:30 – 18.30 **WORKSHOP: VOICE** ROOM M6383
Tanja Bänziger (University of Geneva)
Daniel Arfib (University of Geneva)

Emotions expressed by the voice and their perception. How are they measured?

14:30 – 18.30 **WORKSHOP: ELECTROENCEPHALOGRAPHY** ROOM M5183
Didier Grandjean (University of Geneva)
Elise Dan Glauser (University of Geneva)

Measures and analyses of EEG
