The licensee agrees to the conditions of use specified herein. After signing this agreement, (s)he will be provided with a personal password allowing to download the speech data and necessary labelling files. The licensee is allowed to use these data exclusively for taking part in the 2011 Interspeech Speaker State Challenge. Papers submitted to the Interspeech 2011 Special Event *Speaker State Challenge* that make use of this corpus further need to cite:

Björn Schuller, Anton Batliner, Stefan Steidl, Florian Schiel, Jarek Krajewski: "The INTERSPEECH 2011 Speaker State Challenge", Proc. INTERSPEECH 2011, Florence, Italy, 2011.

The corpus is handed over without guarantee. No legal claims of any kind can be derived from accepting and using the corpus. LMU is not liable for any damage resulting from receiving, installing or using the corpus or any other files provided by LMU in this context. Handing over the corpus or any other files which have been provided by LMU containing information derived from it (labelling files, etc.) by the licensee to any third party may not be done without the expressed written consent of LMU. Any models, derived from data containing the corpus may - just as the speech data themselves - only be used for scientific, non-commercial applications. This licence expires after the paper submission deadline for Interspeech 2011. If the licensee wants to use the data/labelling files after this date, another agreement of use has to be (and can be) made between LMU and the licensee.

I have read and understood this user agreement and will comply with it.
